

## **School Travel Plan**

King's House School is committed to introducing effective transport policies as part of its effort to tackle road congestion, ensuring the personal safety and security of all its pupils. We aim to encourage the provision of realistic alternatives to car use, to improve the local environment and the quality of life for local residents.

We must make it possible for children to walk, cycle or take the bus to school safely. If we can achieve this we will be helping them to grow up healthy and independent, whilst enriching their education and the natural environment. The School Travel Plan is an effective way of providing opportunities for our school to change its travel habits and reduce its dependency on the car.

Building on the work we have done so far, and our achievements, particularly with regard to the school buses, we are aiming to press forward with various initiatives aimed at the age of our children, and building partnerships with other local schools where possible. We are part of the London Borough of Richmond upon Thames WOW scheme (Walk once a Week).

For details of bus routes see [www.tfl.gov.uk/tfl/gettingaround/maps/buses](http://www.tfl.gov.uk/tfl/gettingaround/maps/buses) and type in TW10 6ES
