

Kings House Eco Schools Update

February 2010

School Events

The 'Fairtrade Fortnight' was celebrated earlier than most on the first week back after half term and we had a great week of assemblies to raise this issue. Well done to Maxim Webb and James Silver for winning the poster competition, receiving their Fair Trade chocolate rewards!

Many thanks go to Mrs. Palmer who lead an informative and thought- provoking presentation about Fair Trade Tea; showing us how tea is made in Rwanda. In terms of saving energy, our 'Power Out' day on Wednesday 24th February was a big success, we were delighted to welcome Zac Goldsmith, our local Conservative MP who gave a challenging assembly on the state of our environment and the role we play in conserving the delicate balance of the Earth's eco system. Boys really engaged with the facts and put some very good questions to the speaker!

The Eco Team's Activities

The Eco Team is still managing the composter and wormery successfully, well done to all those boys for committing to their duty every half term. Without them, it simply wouldn't work, thank you boys.

Planning 2010

Our 2010 Action Plan is now on the Eco Schools Page on the school website for all to see what we plan to do this Spring and Summer Terms. Lastly, we still are in need of a parent to be part of our Eco Team. Please do email me if you would like to be involved in any way in this growing venture!
