### **SPRING EVENT – MURDER AT THE MOULIN ROUGE**

On 12<sup>th</sup> March, the Friends of King's House School held a highly successful murder mystery dinner for 130, raising over £1,100.

A Parisian-themed evening with professional actors from Murder Mystery Events Ltd leading the guests between courses through the shocking story of a murder at the famous Moulin Rouge, the Friends Committee members doubled up as uniformed waiting and bar staff. With the help of Mark and the KHS kitchens, a delicious menu of coq au vin and mousse au chocolat was prepared. Selected guests (who in fact needed no prompting, see above!) were soon on stage performing the can-can with cast members and a highly enjoyable night was had by all.

Thank you to John Riches (father of Alexander in 3B) who coordinated the event, to the Committee members for all their hard work, to Mark for the great cuisine, and to all those who attended and helped raise funds for special projects at the school.
